

**MARQUETTE TOWNSHIP
RESIDENTIAL GARBAGE CUSTOMERS
FREE DROP OFF SITE FOR
HOUSEHOLD RUBBISH AND METALS**

A free drop-off site for household rubbish and metals is a service provided for Marquette Township Residential Garbage Customers. Metals are items such as washers, dryers, stoves, refrigerators (refrigerant removed and tagged) tin, furnaces, car parts, water tanks, etc.

A driver's license and current Marquette Township garbage bill will be required and will be checked at the drop-off site. Please be prepared to unload your own vehicle. Commercial Haulers are not allowed to dump.

The next drop off of household rubbish is scheduled for Wednesday, April 6th, 2022 from Noon – 7:00 p.m. **The drop off area is located east of M-35, off of County Road 492, North Country Transfer Station, 83 Eagle Mills Road.** Enter through Gate 3 where a township employee will check you in.

To ensure the sustainability of this service we were forced to make some changes. **We will be limiting each valid solid waste account to 3 visits per calendar year.** Only 1 pickup truck or equivalent trailer load will be allowed per visit. There will be 5 roll off dumpsters available for refuse and one for glass recycling. **ONCE THESE ARE FULL, THE FREE COLLECTION SITE WILL BE CLOSED UNTIL THE FOLLOWING MONTH.** The North Country Disposal Transfer Station will continue to accept refuse for a fee during their normal business hours. We will monitor the collection statistics and may make changes as the season progresses.

The site is limited to glass, electronics, toys, tools, furniture, appliances (must be tagged Freon free), old clothing, shoes, books, drapes, carpets, decorations, remodeling waste less than one pickup truck load per day, and other minor household items. Electronic equipment includes: TV's, computers, laptops, network equipment, computer parts, software, flat panel screens, monitors, printers and scanners, etc.

The following items will not be accepted: Liquid or hazardous wastes, freon containing appliances, regular garbage, food items, rocks or masonry, compressed gas tanks, tires, shingles, batteries. (If you have items not accepted, please contact North Country Disposal 906-249-4500 for their transfer station hours and fees.)

If you require curbside service for disposal of items, please contact North Country Disposal directly at 249-4500. There will be an additional charge for that service.

The Marquette County Landfill located at 600 County Road 480 is also available to accept BATTERIES, leaves, brush, and yard waste at no charge Monday – Friday from 7:00 a.m. – 3:00p.m. No plastic bags, no brush greater than 2" diameter and no stumps. There will be no exceptions.
